CORRECTING THE CAUSE

THE MOST EXCITING CHIROPRACTIC EVENT TO EVER HIT GEORGIA

MORE VENDORS, MORE SPEAKERS, MORE HOURS, MORE FUN

Patrick Gentempo Jr, DC

Dr. Patrick Gentempo is a visionary in chiropractic. He has helped bring chiropractic into the modern age of health-care. From his inspiring talks to his monthly *On Purpose* series, Dr. Patrick has helped change the lives of thousands of chiropractors. Finding the Cause, is not only his area of expertise, but also his presentation for the GCC. You won't want to miss this one!

Robert Schiffman, DC

Dr. Schiffman, a graduate of Life, now runs the world's busiest solo practice in South Bend, Indiana. Many in the profession have been blessed by his Get the Big Idea program. GCC is blessed to have him presenting chiropractic philosophy and Gonstead Cervical Chair Technique for us. For those interested, he will also be leading our optional Sunday morning devotional.

Steve Hoffman, DC

Dr. Hoffman brings over 30 years of chiropractic experience as well as many other accomplishments in the profession. He's run successful practices in Michigan and California, served as a state association leader, spent time as a lecturer, author, coach and more. Dr. Steve will be presenting an introduction to the Upper Cervical/MC2 technique, Mastering Chiropractic with Certainty.

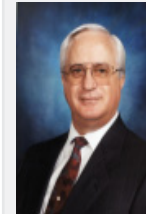

Armand Rossi, DC

Dr. Armand Rossi is truly an expert at "correcting the cause". A Palmer graduate and former instructor for Life University, he has focused much of his very successful chiropractic career on helping children. He is one of the most sought after instructors in chiropractic. We are honored to have him share his expertise in Diversified Technique Review for Children and Adults.

Jennifer Brandon Peet, DC

Dr. Peet has emphasized the care of infants, children and pregnant women for over 25 years. A graduate and former instructor at Life, Dr. Peet has served many roles in the chiropractic profession including teacher, author, activist and ultra-successful practitioner. Her classes are both informative and inspirational. You won't want to miss her presentation on pediatric adjusting.

Hugo Gibson, DC

Dr. Hugo Gibson brings nearly 40 years of experience to his course on the neurology of the subluxation and the IVF. Between his early practice in South Africa and now here in the US, as well as teaching philosophy at Cleveland Chiropractic College, he has influenced the lives of thousands of patients and chiropractors. His unique perspective makes this course a must see.

Kevin Donka, DC

Dr. Donka runs a highly successful, wellness based, all cash practice in Illinois. He has inspired thousands of chiropractors with his writings and his talks. His entertaining and motivating style of teaching the chiropractic principles will have a positive impact on your practice and your life. The GCC is honored to have him entertain and inspire us with principled chiropractic philosophy.

John Maltby, DC

Dr. John Maltby has been in the center of the chiropractic arena for many years. He has served as past president and chairman of the board of the ICA and ICA of California. He has fought many a battle to help chiropractors and protect chiropractic. A graduate of Palmer, he practices in Blythe, California. His expertise in the area of ethics and risk management is second to none.

Karen Mathiak, DC

Dr. Karen Mathiak is a member and chairperson of the Georgia Board of Chiropractic. Her unique perspective puts her in a position to give you the most up-to-date information on the required Georgia Laws and Rules. She brings energy and valuable information to a topic that can help you protect yourself and your practice. This class is worth attending even if it were not required.

CHIROPRACTIC ASSISTANT PROGRAM

A CHIROPRACTIC ASSISTANT'S VITAL ROLE & THE SCIENCE OF SUBLUXATION FOR THE CA

Theresa Stover, CA

Don't leave your CAs behind this year. We have opened most of our DC program to your staff and have also planned a special treat for them. Our CA only class on Saturday features Ms. Theresa Stover, popular CA trainer and a vital CA to the busiest chiropractic office in Georgia, and Dr. Bobby Braile, president of the GCC and practicing chiropractor delivering specific, scientific, chiropractic adjustments to thousands of patients for over 30 years. Your CAs will return on Monday with an abundance of new knowledge to help take your practice to the next level.

Bobby Braile, DC
