

Dynamite CE to Rock Your Holidays at GCC Holiday CE Express!

Rock Your Holidays with Dynamite CE from the GCC!

The GCC CE Express team knows you don't want to close your office to attend CE courses each year. That's why **GCC brings the CE to you** by putting on full CE programs all over the state, so you can keep your office open on Friday, plus minimize travel expenses and time away from your family. GCC CE programs have been held in Savannah, Cartersville, Augusta, and Macon so far this year. Attendees love our speakers and content because it's **all chiropractic all the time** with lively and engaging presentations. Plus, they all express their excitement and thanks that we brought the CE closer to them. **Join us in Duluth for a Dynamite, Rocking Holiday CE Express!**
